831.7001-2 Special services or courses.

Special services or courses are those services requested by the Department of Veterans Affairs which are over and above those customarily required by the institution for similarly circumstanced nonveterans and are considered by the contracting officer to be necessary for the rehabilitation of the trainee. The costs of such special services or courses will be negotiated

prior to being requested by the Department of Veterans Affairs.

831.7001-3 Books, supplies and equipment required to be personally owned.

(a) Reimbursement for books, supplies, or equipment and referred to as supplies, will be made as provided in this section.

(1) Reimbursement will be made for those supplies customarily required to be owned personally by all students taking the same course or courses except that reimbursement may be made for items which are not specifically required by the school for pursuit of the course, but are determined to be needed by VA because of the demands of the course, general possession by other students, and the disadvantage imposed on the veterans by not having the item. In no instance will the supplies be in a greater variety, quality, or amount than required of nonveteran students. In this instance required is in contradistinction to requested or desirable to have or necessary for a future profession or job but not required by the institution of all students in the course.

(2) When supplies are available in several prices, grades, or qualities, reimbursement may be made only for such quality or grade that will meet the requirements.

(3) Partial payment agreements in which the Department of Veterans Affairs shares payment with the veterans is not allowable.

(4) The costs incurred by the institution in connection with the veteran's thesis such as typing, printing, microfilming, or otherwise reproducing the required number of copies; research expenses when certified by the veterans committee chairman, major professor, department head, or appropriate dean that such expenses are required in order to complete the course requiring the preparation of a thesis are considered as supplies and are authorized for reimbursement.

(5) When the institution operates a bookstore or supply store for all students the reimbursement for supplies issued to trainees will be no greater than charges made to nonveteran students.
